RE: Soils Profiles Analysis Bid

Dear Mr. Craig;

Thank you for your recent bid on the soils profiles analysis. We only received one bid which was from Tectra Tech. The Board of County Commissioners chose not to award this bid due to costs.

The Board appreciates the time you took to submit this bid. We will keep your bid packet on file for any future needs that our county might have in this regard.

Sincerely,

Glenda Wiles
Administrative Assistant
Ravalli County Commissioners
